

## Antarctica Day Flags 2016/2017

Would you like to help celebrate Antarctic Day 2016 and decorate the Antarctic?

### Aims:

- Teach about Antarctica as a place of peaceful scientific research and management
- Create flag designs for the Antarctic
- Connect the classroom with the scientists

### Activity:

- Each school sends 5 flags to the Antarctic
- These are photographed and returned
- Each pupil will get a certificate giving details about the flag location and researchers

### Details:

- Email 5 flags to [committee@polarnetwork.org](mailto:committee@polarnetwork.org)
- Scanned jpg or pdf preferred
- If images are too large, you will be asked to use dropbox
- Flags will be printed and sent to the Antarctic with a flag bearer

Dates: Flags must be received by 30<sup>th</sup> October 2016, to reach the Antarctic by December 1<sup>st</sup> 2016. Pictures and certificates will return mid March 2017
